High School For Math, Science, and Engineering, New York City, NY

- G.P.A.: 95.7
- Concentration: Mathematics
- **College Level Coursework:** AP Physics, Macro Economics, Government, AP Calculus BC, AP Computer Science, AP World History, AP Environmental Science

EXPERIENCE

June 2019 - Present

Youth About Business:

Organization fostering the development of business literacy and leadership skills.

Leadership Committee 2020:

- One of 20 students chosen nationally to help run the business side of the organization.
- Collaborated with executive advisers from Deloitte, Moodys, Nomura Holdings, and others
- Contributed to marketing, branding and executed social media strategy

Advanced Camp:

- Led team as CEO for 3 weeks of M&A simulations; valuing companies, structuring debt, making human capital decisions, motivating my team, and negotiating the final deal.
- Team Finalists in Championships.

Basic Camp:

- Nominated as CEO to lead a team of seven in a 1-week intensive camp where we simulated an M&A between Alphabet and Lyft.
- Qualified for Championships.

Summer 2021 & 2022

Big Gay Ice Cream:

New York-based soft serve ice cream chain supporting the LGBTQ+ community

Counter Service & Special Events

- Learned how to work in a fast-paced environment at the high-volume flagship store
- Focused on customer satisfaction and politely resolved customer complaints
- Prepared and helped manage multiple corporate on-site entertainment events (100+ people) for brands including Spotify, Google, NBA, and Madonna's record release party
